

ABOUT THE PROGRAM

The **B.F.A. in Dance Choreography** is one avenue by which dance majors can pursue a deeper study and training in choreography. Each year, the department produces a concert of undergraduate choreography, *Physical Graffiti*. The faculty, who create works for professional companies and both national and international venues, lead the creative atmosphere. The faculty also choreograph new work for the annual *Dance Visions* concert, which often includes a guest choreographer whose work complements our diverse learning environment.

DEGREE REQUIREMENTS

Students must complete the departmental requirements as listed for the B.A. degree in Dance. In addition, B.F.A. students must complete the requirements for the specialization in Choreography.

Major requirements and course listings can be found in the UCI Catalogue:
<http://catalogue.uci.edu/clairetrevorschoolofthearts/departamentofdance/#majortext>
